

Meeting Rooms During ONS 2016

At ONS this year we are proud to present a wide range of modern meeting rooms in different sizes. Most of the rooms have a capacity of 8-12 people, and are located in Hall 10, close to the ONS Conference. With easy access and a view over the exhibition area, these rooms provide fantastic opportunity to hold a wide range of events and showcase your company.

Meeting rooms can be booked for shorter time slots, whole days or for the total duration of the event. Additional food and beverages can be ordered upon request and there will be a coordinator present at the premises to help with any specific requests.

We also have a collection of larger meeting rooms available (suitable for 25-100+ people) in Halls 1, 7, 10 and Clarion Hotel Energy. These come with additional AV equipment and offer the perfect location to hold your breakfast meeting, networking event, lunch buffet presentations... and more!

For booking, prices and further information, please contact our coordinator, Stacia Grant-Nicholas, on email: sgn@stavanger-forum.no or telephone: +47 51 59 82 24.

The spaces will be snapped up fast, so be sure to book yours now!
